

Special Presentation at LPI

February 26, 2015

NASA'S YEAR OF THE DWARVES: EXPLORATION OF CERES AND PLUTO

Presented by Dr. Paul Schenk of
the Lunar and Planetary Institute

This year marks the first exploration ever of two dwarf planets, Ceres and Pluto. Dr. Schenk will provide a preview of two unprecedented missions, Dawn and New Horizons, as they explore the inner and outer solar system, and will share the top questions scientists hope to answer with the data they gather this spring and summer.

This FREE presentation at 7:30 p.m. is intended for inquisitive adults and will be followed by a light reception and an opportunity to meet Dr. Schenk.

Speaker presentation held at
USRA's Lunar and Planetary Institute
3600 Bay Area Boulevard, Houston TX
(entrance on Middlebrook Drive)
